Burgermania II: love at first bite

**Burgers boast timeless appeal,
but standing out in a crowded category isn't easy anymore.
Here are 50 burgers that get noticed.**

\$7.95

Chicago Burger

New York Burger Co., New York City

BUILD: All-natural beef, applewood-smoked bacon, Cheddar cheese, romaine lettuce, Roma tomatoes, house-made Thousand Island dressing, brioche bun

BUZZ: Burgers cooked over charcoal grills star at this self-described "next generation of fast food" concept with two Big Apple locations.
